Dec 2, 2014 (12-02-2014, 07:20 AM)jtitlawson Wrote: Hi, I am new to delphi. I have a C++ project that I need to convert to delphi. I am using Windows 7 x64. Can you direct me to some delphi knowledge based links, such as video tutorials or other types of tutorials that cover delphi, or points to use delphi? I would appreciate it very much. Thanks very much (12-01-2014, 02:31 AM)amacl Wrote: Thanks LuisAndre for activating my FileActivation.xml. bow. Where did you downloaded Delphi 2014.1? look .
