Discover our core products such as SSD 4, Trigger,
Pearl Mimic Pro, and our Expansion Packs! Jul 23,
2019 Best drum sampler? Not really. I've used many
drum samplers over the years and they all sound kinda
fake.. It has tons of drum sounds with no "warmth"
though. In my opinion, it's good for that. There is no
doubt about it, this drum sample library is one of the

best out there! This drum library has everything you will ever need, and even more.
