It's all part of Snap-on's commitment to deliver the industry's most innovative products that help customers get the job done faster. The SOLUS PRO's new Bluetooth technology can operate for up to 20 hours on one charge, providing a seamless connection between the tool and your smartphone. Commercial customer reviews Amazon.com Source World's best hammer! #amazonreviews #amazon #hammer April 7, 2019 "The tool proved well-suited to a variety of jobs and was the perfect solution for power errands around the house or outdoor tasks such as landscape maintenance and pressure washing. I would definitely purchase this tool again and highly recommend it to others." August 2, 2019 "So far the SOLUS has exceeded my expectations. It is the first tool I have used where the setup was easy and I could get to work right away. I used it to move concrete block from the shed to the driveway. It was an easy task and with only one person doing the work, it went quickly and no power was used. I am so glad I purchased it." "After years of experiencing inefficient and expensive solenoid cutting tools, I have made the switch to SOLUS. I now have a standard garden hammer
