Win8 and Win7 do not have 64-bit restrictions in the latest supported version of REVIT. Use the REVIT 32-bit tool. You will need REVIT.v8.0.Please note that this update is not fully compatible with Windows 10 Fall Creators Update or Anniversary Update. You must use the Windows 10 Fall Creators Update or Anniversary Update version of REVIT.v8.0 as the design tool required for the application to function properly. This update fixes the following known issues:
