The chair is filled by Brian Balthazar, Co-Host and Editor in Chief of The MechWarrior Archives. In this show, he continues the conversation with Jim Warden, where we pick up talking about one of the best MechWarrior games of all time, the MechWarrior 3. We discuss the 3D maps and computerized MechWarrior 3 gameplay with many details about the changes from the MechWarrior 2. We also talk about the original MechWarrior 2 prototype, and the weird story behind it. Be sure to join us next week, as we continue this podcast and talk to Chief Designer at Piranha Games, James Schmalzl. This podcast was recorded using the BlueTooth from LGP and an iOS device. The authors revealed changes in the structure of the thyroid gland in children and adolescents who were attending an outpatient clinic of the Moscow Epidemiological Station and who were a subject of investigation. Based on the morphological and clinical data, it has been established that the most frequent cause of the thyroid diseases is the proliferation of an endemic goiter. Hyperthyroidism is rarely encountered in these age-groups. Familiar goiter in children and adolescents is not so frequent as in adults.At this point, Donald Trump has been accused of almost every single thing, and the Republican nominee has basically achieved a lot of political damage control with each attempt at an attempt at damage control. But if Trump gets in a situation where he can pull off a nice reset, he can regain political momentum and maybe even surprise the polls. For example, he just could announce that that Donald Trump is now running on a platform of amnesty for the 11 million illegal immigrants living in America today. I'm not talking about his fans flipping out and threatening to beat up the news media, although that is a wild possibility as well. Rather, I
