the nba draft lottery results 2019 With 15 rounds of team, player, and owners voting, or with the lottery wheel, 16 teams are brought into the drawing, after which a single team, selected by the lottery wheel, becomes the winner. The final order was published on June 28, so the current first round draft pick is.

The NBA Draft Lottery is held annually on the morning of June 21, and gives the general managers of the 28 NBA teams the chance to determine which teams will receive the first round of the NBA draft. A weighted lottery system is used to determine the final order of the lottery, with each team in the lottery having a 12.2%, which will be used to pay for the first year of a first round draft pick. Teams have a 15% chance at the number one pick in the draft, a 15% chance at the number two draft pick, a 15% chance at the number three draft pick, a 15% chance at the number four draft pick, and so on. In addition, a single team has a 12.2% chance at the number one draft pick, a 12.2% chance at the number two draft pick, a 12.2% chance at the number three
